ONUOHA GOSPEL EMELE

Front-End Developer

gospelonuoha22@gmail.com **.** linkedin.com/in/gospel-onuoha **.** github.com/General090

PROFESSIONAL SUMMARY

I am a creative and results-oriented Front-end Developer with over 2 years of experience creating seamless, user-friendly web applications. Highly skilled in developing high-quality, responsive web applications and interfaces using modern technologies like HTML, CSS, JavaScript, and frameworks such as Tailwind CSS, React and NextJs. Proven track record in delivering scalable and performance-optimized applications that enhance user engagement and client satisfaction.

Solid foundation in Computer Science, coupled with a deep understanding of user experience principles, responsive design, and accessibility standards. Proficient in integrating APIs, optimizing web performance. Highly skilled in tools like Git with a passion for delivering clean, efficient code that drives innovation and delivers measurable results.
